Subject: SoCal/DDT op-ed draft, possibly for Janet
Attachments: Blumenfeld Jordan Op-Ed DRAFT 6.15.21.docx

Per discussion just now of Divisions' inputs for the Janet visit, see the draft op-ed attached. This has been fully reviewed by SEMD (including Enrique)...it's still pending with Jared/CalEPA, and then will go to NOAA for them to possibly sign on as a third co-author. You'll note that it's far from detailed or super substantive.

Hope it helps!
